Time Warner Cable Proposes Measures To Compensate Customers and Keep ABC on Air.

NEW YORK--(BUSINESS WIRE)--May 5, 2000

To protect Time Warner **Cable** customers in New York City from future service interruptions, such as the one that occurred...

...ABC on during negotiations with Disney, ABC's parent company. Rosenblum also said Time Warner **Cable** would compensate its customers for the service interruption.

Speaking at a hearing before the New...

...long-term agreement, with the condition that Disney agrees not to pull its ABC programming. "Time Warner has a proven track **record** of reasonableness in retransmission consent negotiations. In fact, we have successfully negotiated mutual agreements with...
...programming to our customers and have always wanted to keep ABC on our system."

As **compensation** for the temporary **loss** of ABC, Time Warner will credit its customers two full days of basic **service charges**. Credits will appear on customer billing statements beginning May 19. For the disruption and inconvenience...

...free month of an additional premium channel of their choice. Beginning May 19, an automated **phone** line will enable customers to call and make their selection. During the ABC service interruption...

...could continue viewing ABC via an A/B switch connected to an antenna. Time Warner **Cable** will continue to **refund** customers up to \$15 for the purchase of an A/B switch. This rebate program will remain in effect through June 30.

"I am totally confident Time Warner **Cable** will do everything to prevent future broadcast disruptions," said Rosenblum. "As always, our loyalty remains with our customers."

Time Warner **Cable** in New York City (<http://www.twcnyc.com>) serves more than one million customers in Manhattan, Queens, Staten Island and portions of Brooklyn. The company also manages Paragon **Cable** /Mt. Vernon, Time Warner **Cable** of Bergen & Hudson Counties of New Jersey, Time Warner CityCable Advertising and NY1 News
